

September Training in Coastal Kenya

Equipping African Pastors

To Study and Preach God's Word Well

October 2016

"Go therefore and make disciples of all nations..." —Matt. 28:18-20

Dear partners, Amazing breakthroughs, for our family and in ministry! Read on to learn more...

Family Breakthroughs

As you know, the last several months have been very challenging for our family as Holly has been mostly bedridden. This is on the tail of 4.5 years of health struggles with few answers. **Praise God, we've recently learned some answers!** Although likely not the sole source of all her health problems, yet we've discovered that Holly's body is riddled with parasites that have been sucking the nutrition from her, leading to extremely low energy, reaction to certain foods, liver and digestive issues, impaired sleeping patterns, affected mental abilities, etc. Since beginning a holistic process of parasite removal, she has shown **dramatic improvement** in all these areas. We recognize it will take time to totally cleanse her body, but we are GREATLY ENCOURAGED by this news in addition to the fact that her adrenals are finally improving. **Thank you** for your faithful prayers! Ministry Breakthroughs

I have just returned from another awesome training of pastors in rural coastal Kenya. The group is poised to reproduce the trainings throughout much of the country. For more, including **video testimonies** from some of the pastors, [CLICK HERE](#).

Why we do what we do:

According to research done by TOPIC (Trainers of Pastors International Coalition), 85% of the pastors in the 2.2 million evangelical churches globally have received NO training whatsoever. This is well over 3 million pastors globally, and these are precisely who we are training throughout Africa!

Three new believers with Pastor Joseph

Extra blessing:

After preaching in a village church last week, three women placed their faith in Christ! Kristen, Precious and Sidi are now daughters of the King!

In addition to existing trainings throughout Africa, we are preparing to **launch new networks** in the following countries in Africa: Zambia, DR Congo, Togo, Liberia and Uganda. **Please pray** that God will raise up sufficient US pastors who can help us train in all these countries!

Thank you again so much for your faithful prayers and partnership!
