

June 2, 2020

Dear ministry partners,

It is with overwhelming joy in our hearts and praise for our glorious God that we share this most wonderful news: **Holly has been healed!** For over eight years, since we lived in Africa, she has been dealing with significant health challenges, the most recent over the past three years being extreme food allergies to ALL foods. In God's perfect time and way, after thousands of prayers by dear saints all over the globe, He suddenly removed all negative reactions and we are dancing a "hallelujah food dance!" She is growing stronger, delighting in God's good gift of food, and we praise Him. For more details, please visit our website (www.belzglobal.com) and go to "incredible news" post.

Meanwhile, as **Alyssa** celebrates in her mom's healing, we continue to pray for God's grace in a similar way in her life, although we are thankful for progress she has made in the last year. She is full of faith and gratitude to the Lord, whether He chooses to heal her or not. For more on her faith journey, with a song she sings, visit our website.

In far less exciting news, significant progress is being made on my dissertation these days, and you can learn more by visiting belzglobal.com.

During these days of pandemic-related restricted activity, we would be happy to **connect with you virtually** if you are interested. We want to make sure you know you are cared about and appreciated, pray for you and praise God for the many ways **He is continuing to work globally** through our ministry. Shoot us an email and we'll find a time and platform that works well.

We can't express enough how much we **appreciate your faithful prayers** for our family (including Holly's healing) and **vital partnership**.

With love,

Eric, Holly, Adam, Andrew and Alyssa

Quick clarification: Just to clear up what may have been confusing, Holly's new position within our same ReachGlobal mission organization is the same work she has been doing for years, serving together with me with the same shared family ministry account (#1521). The only change is she now collects a partial salary, thus the need to raise the extra support.

"I will greatly rejoice in the Lord; my soul shall exult in my God, ... For as the earth brings forth its sprouts, and as a garden causes what is sown in it to sprout up, so the Lord God will cause righteousness and praise to sprout up before all the nations." - Isaiah 61:10-11
