

Equipping African leaders...

to handle God's Word well.

February 2022

Lusaka, Zambia

Jan. 3-15, 2022

Dear ministry partners,

Transitions in life offer us important milestones as we finish one season and begin another. Our three kids are in transitional periods: **Alyssa** will soon graduate from high school and head to college, **Andrew** is leaving college behind and beginning his real estate career, and **Adam** has begun seminary toward full-time ministry. 2022 is also a **year of transitions for Pathways in Africa**. Three networks will be graduating after several years of training, and six others will be launching.

Graduating networks

Matiliku, Kenya – May 2022

Lomé, Togo – June 2022

Lusaka, Zambia – July 2022

I could share many stories communicating the excitement these pastors feel as they learn how to study, understand, and teach God's Word well. For a very recent story, [CLICK HERE](#).

New networks

Iringa, Tanzania – February 19-25, 2022

Muheza, Tanzania – Feb 26 – March 5, 2022

Lilongwe, Malawi – March 2022

Blantyre, Malawi – March 2022

Monrovia, Liberia – June 2022

Northern Rwanda – October 2022

The last four locations are exploratory trips hopefully leading to new networks in following months.

Please pray for both the graduating networks and the newly launching networks, that they will take what they learn and multiply it to many other preachers, pastors, and ministry leaders.

By **God's grace** and through your **faithful spiritual and financial support**, we have begun what we hope will be a highly productive 2022. **Holly** continues to grow her **prayer ministry**, one part of which is connecting churches and individuals with African pastors and their wives for focused prayer. Please keep the family in your prayers as I travel every month to offer trainings throughout Africa. For a glimpse into an **unforgettable time in Zambia in January**, [CLICK HERE](#).

We are just finishing up creating an updated prayer card and hope to have that available soon.

With our love, gratitude, and prayers, *Eric and Holly*

"Let the Word of Christ dwell in you richly, teaching and admonishing one another in all wisdom." - Colossians 3:16
