

International Training of Trainers

February 28, 2014

Dear friends,

With **joy** in our hearts and **thanks** on our lips we want to let you know that **God is doing amazing works** globally through your faithful prayers and generous support. Pastors are regularly being trained to preach the Word well in Africa, India, SE Asia and Latin America, and we are so encouraged by your partnership. Read on to learn more and stay connected, but I'll be brief and give you links to blogs on our website.

Ministry highlights from the past couple months:

2014 began with strategic meetings of our **Global Equipping Team** in Florida. I'm thankful to be part of such a motivated, mature and gifted group! For more details [CLICK HERE](#).

Shortly after our GET meetings, I headed down to **Arizona** to participate in a missions conference and conduct a training of pastors in Prescott. We had leaders from six states present! For more, [CLICK HERE](#).

At the end of January and early February I headed back to East Africa. First I was in **Rwanda** to prepare a group for a three year training network. They are ready and excited for the training we will launch later in March. For more on Rwanda, [CLICK HERE](#). This was followed by a training with my friend Dan in **Uganda** as we worked through the book of Mark with a group that continues to grow in their skills of handling God's Word well. [CLICK HERE](#) for more on Uganda.

Just last week I was down in **Santa Clarita, CA** with my buddy Steve doing a training for pastors and ministry leaders there that was so much fun. It is such a joy equipping those who love to Word to train other pastors to preach the Word well. For a quick overview of the work I'm doing, [CLICK HERE](#).

Personal Update

It is with "warmth" in our hearts that I share with you that we have **HEAT!** It was a long, cold winter (about 50 degrees INSIDE our house), but we now have a heating system which adds so much to making our place feel more like "home."

So what's up next?

I will be representing our Pastor Training Team with ReachGlobal at the **EFCA Pacific NW District Conference** March 7-8. **Please pray** for good connections with local pastors who can be equipped to be global trainers.

On March 19-28 I will be in Kigali, Rwanda again to **facilitate the launch of a vision realized**. We will be placing two US pastors who (along with their colleagues) will be seeing a three-year training network from beginning through to completion. I will be coaching them throughout the process, and this will allow me to go to other locations to establish new training networks. Please pray for God to draw in the right Rwandan trainers, and for a successful launch.

Want a reminder to PRAY?

We encourage you to print out our **latest PRAYER CARD**, or let us know and we'll mail you one. [CLICK HERE](#).

THANK YOU

Friends, I want to be honest with you that we've been amazed at the **generosity and faithfulness** of so many of you, despite economic hardships and challenging times. You've continued walking with us as we serve Christ together in making an eternally significant difference globally. Thank you so much for your prayers and partnership. We're a team, and we can't do our work without you!

With love,

The Belz Family
Eric, Holly, Adam, Andrew, Alyssa

"But you, be sober in all things, endure hardship, do the work of an evangelist, fulfill your ministry."

2 Timothy 4:5
